 $\textbf{Client Support:} \underline{\textbf{support@regwerks.zendesk.com}}$ 

7. **Select List:** Appears as a drop-down menu containing various answers from which the registrant must make one selection. Accepts conditional questions.

8. Question Based Question: Offers a second set of options based on a prior response. This second branch of questions may be added into Radio Button or Select List.

9. **Import List Validation:** Compares the registrant's response to an existing list that was previously uploaded to the RevTrak Web Store. The Person's Last Name and Student/Employee ID# must match to complete a registration.

10. Check All: Appears as a series of check boxes from which the registrant may select as many as needed.

**11. Balance Due:** Allows the registrant to select whether they will *Pay Now* (meaning pay at checkout) or *Pay Later*, which allows them to complete the registration without making a payment.

12. Question Profile: To link one Question Profile within another, create the second Question Profile (e.g., Transportation Form) as the second branch of questions. In the primary Question Profile, select the Question Profile Field Type. In the Profile field, select the secondary profile within the drop-down menu of options.
